

Berea College Alumni & Friends Gathering – September 11, 2010 at 12 Noon

From I-64 / I-77: Take the Greenbrier Street exit (the State Capitol exit) and go toward the Yeager Airport on Greenbrier Street (Rt 114). Follow Rt 114 up and over a big hill. As you go down the hill on the other side don't turn left at the bottom of the hill like you are going to the airport. Instead, bear to the right and on to Airport Village where a traffic light is and a gas station is on the right. Turn left at the traffic light onto Coonskin Drive. You will go by the US Army / US Airforce National Guard Armory on the way to the park. The map is not real clear but there is a loop road located near the star on the map that goes to the right and takes you to several shelters to include Shelter #15 where the Berea College Alumni & Friends gathering is on September 11<sup>th</sup> (Saturday) at noon. Hamburgers and drinks will be provided. Please bring a salad, side dish, or dessert to share.
