Dear Alumni and Friends:

As president of the Industrial Technology Club, it is my pleasure to invite you to our annual Homecoming Breakfast on Saturday, November 14. Breakfast will be served by students, staff and faculty of the Technology Department in the lobby of the Danforth Technology and Industrial Arts Building beginning at 8:00 a.m.

We hope this will be a time for reminiscing and renewing friendships. As always, the breakfast will be informal. We also invite you to join us to welcome our new faculty member Mark Mahoney.

Please RSVP to Sandy Wells at sandy_wells@berea.edu by November 10. Indicate whether you will be attending the breakfast and how many will be in your party.

We look forward to hearing from you and hope to see you in November at the Homecoming breakfast.

Sincerely
Desiree Bernardoni
Club President
