

## ABOUT THE BEREA BASKETBALL ACADEMY

The Berea Basketball Academy will be a fun camp that encourages and challenges players to work hard and improve their basketball skills. Each of our camp sessions will provide different challenges for all of our participants.

Each team camp will offer both a varsity and a junior varsity division. The team camps will provide opportunities to play in our state of the art facility.

Campers will receive individual instruction due to our low player to coach ratio. The staff will consist of college and high school coaches as well as current and former Berea College Mountaineer basketball players.

The Berea Basketball Academy will be held at the Seabury Center located just off I-75 on the campus of Berea College.
