Team Name/Sport _____

I agree to and will educate my teammates on the following:

- That the true essence of sport is to strive for personal achievement and excellence through full and honest effort
- To be committed to participating in sport with integrity, and striving to win only by legitimate means
- Pledge to learn, understand, and adhere to both the written rules of my sport, including the eligibility and conduct terms, and accepted rules of fair play
- Believe that violence and physical intimidation are harmful to sport and refuse to use such tactics
- Understand that officials, teammates, and opponents are all integral to sport and are worthy of my respect
- Please wear the proper game attire. This means that you are not to expose ANY under attire. If others are able to see your boxers, underwear, or sports bra you will be given a warning and after your warning you will be reprimanded due to Intramural standings.
- Sportsmanship will be strongly enforced. Teams with SPT points averaged of 9 or higher at the end of the season will be given a pizza party.
- The game clock will begin at the time the game is supposed to start. Your team will be given maximum 10 minutes before an automatic forfeit will take place.

It is my responsibility, as a captain, to maintain self-control of myself and my teammates. We will accept officials' decisions without argument, play with intensity but without animosity and behave graciously in triumph or defeat.
