Majors must meet department standards for written and oral communication.

Admission Requirements: To be admitted to the major, students must complete FRN 103 or a high-level course taught in French with a grade of C or higher.

Term Abroad Experience: Acceptance into the major neither requires nor guarantees a term abroad. Nevertheless, French majors are strongly encouraged to spend a Spring or Fall term in a French-speaking culture in a program approved by the department. Majors must meet all departmental requirements, including a B- average (2.8 GPA) in French, in order to receive financial support from the department to study abroad.
