

2009-2010 AFRICAN AND AFRICAN AMERICAN STUDIES MINOR

(Minimum of five course credits)

The minor in African and African American Studies is intended to supplement the student's academic major with a scholarly understanding of African Diaspora history, social and political life, economics, culture, and art. The program seeks to provide students with clear, culturally based knowledge about African Disapora communities within the framework of a liberal-arts education. All students who are pursuing an African and African American Studies Minor will have the Director of African and African American Studies as their adviser.
