Berea College  
Berea, KY 40404 USA

Dear International Student:

International Friendship Program (IFP) welcomes you to Berea and wants to make your stay in our community a pleasant one. We are very fortunate to have many international students studying at Berea College. There are many families in Berea interested in making friends with students who come here from other countries.

Our purpose is to introduce you and other students from abroad to families in the Berea community who are interested in you and your country. Our hope is that you will have a pleasant and productive stay while among us. We want to provide an opportunity for you to learn about our nation and culture and for us to learn about you and your culture. Many enjoyable experiences can be shared with families during meals, brief outings and community activities. There are also social gatherings for the entire international student body and IFP participants.

Please complete the form below and return it to the above address AS SOON AS POSSIBLE. The IFP Committee will put you in contact with an interested family.

It may be possible for your assigned family to meet you at the Lexington Airport in Kentucky, if you provide a detailed itinerary with your exact arrival time. Keep the International Student Advisor's office advised of any changes in your itinerary by calling (859) 985-3114 during working hours, 8 AM - 12 PM, 1 PM - 5 PM, Monday through Friday, eastern standard time; or e-mail: kay\_kelly@bera.edu.
