BEREA COLLEGE TRIO PROGRAMS

UB/WI Newsletter

Fabulous February!

We have some great opportunities for student travel this month and congratulations if you are one of the lucky ones that get to hit the road. We have a couple of groups from ThinkQuest last summer that get to go to the SAEOPP meeting (the southern group of TRIO people that get together every year for training and collabora-

tion) in Myrtle Beach. This is over February 10th weekend. They are Steven Wash, Joe Phillips, Carissa Foster, Alex Thornberry, Sierra Bishop, Amber Hasty and Crystal Wheeler. Hey, it may be a little chilly on the beach this time of year but it's still an ocean view!

Then we have a group going to Morehead State University to compete in the Scholar's Bowl on TRIO Day, February 24th. Those are Josh Blair, Cyndi Kidd, Michelle Smith and Travis Helton. GOOD LUCK TO ALL! If they win the state competition,

they will get to compete in Atlanta against the southern states in our region.

Throw Valentine's Day, an Upward Bound Reunion and an Enrichment Session in the middle of all this and we will have a very busy February!

See ya on the 17th if not before!

Warning! Deadlines Ahead!

SENIORS!—Do not forget the deadlines for college applications and Financial Aid! If Berea is your first choice and you haven't gotten all your paperwork in for Berea College—it may already

be too late. Most of your parents should have the necessary paperwork to file their tax returns by the end of January. Remind them you have to have their income information for filling out

the FAFSA. JUNIORS—be sure you get registered for an ACT test date this spring if you have not already. You must have a test score in our office in order to attend the summer with us!

Reunion Dates
February 17
March 10
April 21
May 12

ACT Test Dates
February 10
April 14

BIRTHDAYS OF FEBRUARY
2/09 Cyndi Kidd
2/10 Jacques Turner
2/15 Brandon Dykes
2/19 Brittany Morgan
2/22 Josh Blair
2/25 Bethany Bradley
