Next Month...

By early November, you should receive information for the upcoming overnight trip December 6-7. Be sure to get the signed paperwork back to us ASAP so we can get the trip details planned accordingly. We will be heading to Cincinnati once again for another fabulous UB adventure. This time we are going to see a performance of STOMP! If you haven't heard or seen them before, you will be amazed at the music you can find in ordinary objects like a broom or trash can lid. This will be a high powered, exciting and very

entertaining performance you will remember for a long time. I hope everyone of you plan to attend. Please call the office if you do not receive anything from us in the mail by November 7th.

*For those of you not at the September Reunion, we are also doing a drawing at Reunions for a pretty cool door prize. To be in the drawing, **all you have to do is complete your 2 hours of MATH tutoring by October 24 and show up for the Reunion.** Samantha Bishop won a*

really nice Berea College sweatshirt. It was a pretty sweet day for Samantha, taking home \$40 and a new sweatshirt. Not to mention getting to hang out with us! So do your time, and the prize could be yours next time.

If you are having problems logging in, please call the office. Feel free to use any of the other sections of the Skills Tutor. It can certainly be a productive place to hang out online!

**Reunions:

December 6-7**
Be there—or be square....

Upward Bound Votes!

As you may remember, during the September Reunion we had a little UB election to see who would be president if UB students were deciding. The results of our first vote:

Obama/Biden 25
McCain/Palin 18

After we discussed some of the candidates voting records and platforms, we voted again:

Obama/Biden 29
McCain/Palin 14

We were happy most students actually seemed to get into the issues and discussed what is important to them in a presidential candidate. If you would like to dazzle your friends with your knowledge on the candidates and current political issues, you may want to visit this website:

<http://ontheissues.org>

It has all the candidates listed, their voting records, quotes from speeches and writings to give you an unbiased view. That's what you need to make up your own mind. A lot of what you see and read are biased and/or outright fiction.

The truth is out there—you just have to search for it sometimes!
