Lee County Middle School Gear Up students travel to Lexington

Eighth grade GEAR UP students from the Lee County Middle School traveled to Lexington to the Barnes & Noble bookstore on Dec. 5th to buy books for our middle school library. Students listened to Sarah Goodrich of Barnes & Noble before beginning their search. The students select the books.

They must read the book and

then it is placed in the library for all our students to read. Students feel empowered when this is done and begin to read more. As one student said " I need my book now...I am so ex-

cited!". Students then dined at the Steak N Shake before coming home.

We would like to thank our teachers Mrs. Barbara Coldiron,

Mrs. Kim Williams ,Mrs. Alice Sipple, Mr. Frank Kincaid ,Lee County Board members,Mr. Willie Addison and GEAR UP for supporting our trip and students.

Our library now has \$1050 worth of new books for All our students. Lee

County Schools Make a Difference!
