

Recruiting Season Dates

We are pleased to announce that the Disney College Program fall recruiting season has begun, and our recruiters are currently searching for bright, talented students seeking an internship opportunity of a lifetime!

The [on-campus recruiting schedule](#) is posted on our Web site and is updated frequently. Students should check back often to learn when a recruiter will be visiting a campus near them.

Education

One of our newest offerings is the [Disney Exploration Series](#). These interactive courses submerge students into popular areas of interest within the *Walt Disney World*® Resort including: marketing, communication, people management, Guest service, and leadership. Presentations and discussions hosted by Disney leaders from these areas provide students with a stress free learning environment without tests, quizzes, and papers that can also act as a networking event.

The Disney College Program offers [courses](#) that help you apply classroom knowledge directly to your work location within the *Walt Disney World* Resort! Not to mention, you could earn college credit for successfully completing these courses! Some of our courses are recommended for credit by ACE, the American Council on Education. Make sure that you check with your school to see if they offer credit for these courses For other options to receive college credit, please [visit our Web site](#).

Community/Housing

There is always something to do in Central Florida on your days off! As a Disney College Program Participant, students receive [complimentary admission](#) to our four Disney Theme Parks and receive discounts at local area attractions as well.

Don't feel like leaving your [apartment complex](#)? There are all sorts of options ranging from pools, volleyball, tennis, basketball, gyms, and our fun [housing events](#). These housing events are organized and hosted by the Disney College Program Housing Team, which ensures that there is something fun for everyone!

Currently, the Housing Team is hosting auditions for current Disney College program participants for this season's Night of Stars talent show. Night of Stars is one of the biggest events of the year, and it is participants' opportunity to showcase their talents for their fellow Cast Members.
