

Extension Summer Intern Positions

Please share this with other faculty and students.

The Extension Summer Intern Program is accepting applications for 2008 summer employment. Application review will begin on January 8, 2008. Please assist us in spreading the word about this employment opportunity to students. Specific information about the internship and an application can be found at the following website: <http://www.ca.uky.edu/extensionjobs>. A copy of the intern recruitment brochure, which can be posted in your department is attached.

PROGRAM HIGHLIGHTS

- * 12-week summer internship in a County Extension Office located throughout Kentucky or in a State Extension office.
- * Internships can lead to full time employment.
- * Application deadline: application review begins on January 8, 2008
- * Majors considered include all areas of Agriculture, and Family and Consumer Sciences (i.e. nutrition, family studies, FCS Education, fashion merchandising), Education, Recreation, Communications, Social Work, Psychology, or related fields.
- * Applications are now being accepted.
- * Interviews will be conducted in January and February. Applicants should know by March if they are selected for a position.
- * Interns are paid \$1,700.00 per month. Many of the interns also receive college credit.
