

The following discloses information gathering and dissemination practices for the Berea College Web site (<http://www.berea.edu/>):

Information gathering

We use your IP address to help diagnose problems with our server and to administer our Web site by identifying (1) which parts of our site are most heavily used, and (2) which portion of our audience comes from within the Berea College network. We do not link IP addresses to anything personally identifiable, which means that user sessions will be tracked, but the users remain anonymous.

Use of information

Berea College staff may use the information gathered from this site to tailor content to user needs and to generate aggregate statistical reports. At no time do we disclose site usage by individual IP addresses. Web server logs are retained on a temporary basis and then deleted completely from our systems.

Security

The Berea College Web site has security measures in place to protect against the loss, misuse, and alteration of the information under our control.

Support

If you have any questions about this privacy statement, the practices of this site, or your dealings with this site, please contact:
