 1. All entering students during the first year of enrollment (or first term if entering mid-year); and
 2. Students of any classification whose work is characterized by highly structured tasks or outcomes, relatively low level or number of skills required, typically repetitive or routine tasks, and requiring direct supervision of worker results
- **WLS 2 – Intermediate Level** – This work typically involves less direct supervision than WLS Level 1, perhaps more work variety, and requires some independent exercise of judgment along with an increasing knowledge of the job.
- **WLS 3 – Skilled Level** – The work is typically skilled, requires little direct supervision, requires independent judgment on procedures, has variety and depth. The work includes helping in the training of others and the expectation of contributions toward improvement of the way work is carried out.
- **WLS 4 – Advanced Level** – Normally involves the supervision of other students, the ability to apply advanced skills, and the capacity to assume higher levels of responsibilities for departmental operations. As with WLS Level 3, the work is typically skilled, requires little direct supervision, allows for independent judgment on procedures, and has variety and depth. The work includes helping in the training of others and the expectation of contributions toward improvement of the way work is carried out. Labor Departments may require WLS level 4 positions to be more than the minimum 10 hour commitment; if so, the Status Form will reflect this requirement.
- **WLS 5 – Management Level** – **Must be a 15 hour commitment – Allocation of a WLS Level 5 is limited and must be approved by the Dean of Labor / Labor Team.** *Prerequisite: One term at WLS level 3 or 4 and no forms of academic, labor, or social probation.*

This level demands an understanding of departmental policies and relationships. Students are expected to develop and model strong interpersonal / communication skills in the workplace.  1. Student managers in the department; or
