What's New With UB this semester?

E-sessions will be moving back to weekdays after school. This semester we will have 2 Enrichment sessions per month but each will last only an hour. Each county will be assigned a Field Teacher or Tutor Counselor to plan and coordinate these meetings. They will be in contact with you to set up the first meeting. We haven't got it completely figured out who will be doing what so there will only be one E-session during September with two every month after that.

Please make every effort to attend these meetings. You are allowed to miss up to 3 UB activities (that means E-session or Satu

Saturday Reunions) per semester and stay in the program. So please save those absences to use when you have broken bones or a temperature of 108.

When you think about it you are getting money to hang out with your friends and maybe actually learn something—how painful can it be?

During the September Reunion you will discuss the dates and locations for your county E-sessions so please try to attend the Reunion on the 20th.

The October Reunion will be our overnight weekend with the WI students as well. Mark your calendars and plan to go with us—it will be a weekend full of Mystery and perhaps a little Murder (hint hint).

As always, if you need to contact us with any questions we are toll-free:

UB/WI in search of New Program Counselor

As you may have noticed this summer—the upperstaff had one less person. We are currently in the process of interviewing to fill the position and hope to have someone on board as soon as possible.

The Counselor usually makes school visits to Berea Community, Rockcastle, Laurel and Pulaski County schools. I will try to make as many of those as possible while visiting my usual counties of Clinton, McCreary, Whitley

and Wayne. It's been a long time since I have been in some of those schools so it will be nice to revisit some not so familiar territory.

See you soon!

Vicki

A Successful UB/WI Carwash!!

We had a great sunny day for the UB/WI carwash in August. Much thanks to the students and staff that turned out to help wash cars and get soaked and sunburned. The oh so helpful hands were: Rebekah Deichman, BJ Grimes, LaDonna Sexton, Justin Grewe, Josh Outsey, AJ Bennett, Rachel Flinchum, Jessica Belcher, Jeremy McQueen, Dara Evans and her brother. It was a lot of fun and we made \$453.39!!! We are still waiting to see if Walmart will match the funds. Not a bad day's work.
